| Counseling & Psychological Services | Laura Williams | 3083 | | |
| University Studies | Sean Place | 1020 | | |

Notes:

1. The calculation of department chair reassigned time units is based on faculty and student data as well as complexity factors unique to each department.
2. The reassigned time for English and Math, above, does not include two units each for managing General Education advising, which may or may not be assigned to a department chair, and which are not considered "chair" units.
